Speakers Bureau and Consultant, Chromogenex, Inc.
Speakers Bureau and Consultant, Quanta USA
Speakers Bureau and Consultant, InMode/Invasix

PRESENTATIONS:

A4m Presentation, Apr 2018, Miami, FL, USA

The Use of a Unique Fractional Radiofrequency Device for Skin Resurfacing

Syneron Asia/Pacific User Meeting, 2017, Sydney, Australia

Advanced Indications: Using Syneron Profound™

Advanced Indications: With Body Contouring Devices

Advanced Indications: Vbeam Perfecta™

Advanced Indications: Pico Way™

Advanced Indications: Resurfacing

Philippine Society of Vascular Medicine, 2017, Manila, Philippines

The Treatment of Vascular Disorders With the Candela Lasers

FACE Conference, 2016, London, England

From Color Correction to Wrinkle Reduction With the InMode™ Platform

Different Approaches to Facial Rejuvenation Using Radiofrequency

The Aesthetics Show, 2016, Las Vegas, USA

The Spectrum of Facial Resurfacing

The Art of Fractional Radiofrequency, Ablation and Skin Resurfacing for all Skin Types

COSMETEX, 2015, Brisbane, Australia

Picosecond Lasers: Shorter May Be Better – The Science and Clinical Applications

Use of a Unique Fractional Radiofrequency Device

Body Shaping: Using both Radiofrequency and Ultrasound

Cosmexchange, 2015, Trieste, Italy
YouLaser MT Utilizing Mixed Laser Technology

The Australasian College of Cosmetic Surgery, 2014, Gold Coast, Australia
Fat Destruction, Cellulite Treatments and Patient Outcomes
Non-invasive Body Shaping using a New Focused Ultrasound Device
Latest Treatment of Acne and Acne Scars
Fractional Rejuvenation from Advanced Users

The National Laser & Cosmetic Conference, 2014, Melbourne, Australia
Advances in the Treatment of Acne Scars
Optimal rejuvenation, acne scarring and striae treatment
Cosmetic Medicine Complications: How to Avoid Them and What to do When They Occur
